**Razza Braintree Road**

Proposed change of use from restaurant to children's nursery with rear outdoor play area and installation of fences for security.

**Permission Refused - 17<sup>th</sup> February 2025** *'Insufficient information has been provided to demonstrate that there is a need for the nursery facility and that the need can be met within development limits of Felsted...The proposed change of use would greatly diminish the setting of the designated heritage asset. The proposed development would, by virtue of location, layout and design, cause significant harm to the character and historic importance of the Grade II listed building. The proposal fails to provide adequate parking provision and drop off/pick up facilities, which could lead to conflict with users of Braintree Road, inappropriately parking on the highway and associated verge, detriment of highway and pedestrian safety.'*

[UTT/24/1413/LB](#)

**Cressages 2 Cressages Close**

Replacement of metal and timber windows with timber windows

**Permission Refused - 19<sup>th</sup> February 2025** *The information submitted does not meet the requirements of Paragraph 207 of the National Planning Policy Framework (2024). In the absence of a satisfactory level of information, the proposal would conflict with Policy ENV2 of the Uttlesford Local Plan (adopted 2005), Section 16(2) of the Planning (Listed Buildings and Conservation Areas) Act and the National Planning Policy Framework (2021)*

[UTT/24/3025/FUL](#)

**Agricultural Building Rear Off The Mole Hill Hollow Road**

*Proposed demolition of existing agricultural building and erection of 1 no. dwelling, new access and associated development,*

**Permission Refused - 26<sup>th</sup> February 2025** *The proposal would introduce a sizeable new development to an area of open countryside. The proposals by reason of its sitting, size and scale would have a harmful impact upon the rural character and appearance of the area. There is no substantive justification for the proposal specifically relating to the developments needs to take place there or being appropriate in the countryside. The proposals would significantly harm the intrinsic character and beauty of the countryside resulting in landscape and visual effects and failing to perform the environmental role of sustainability.'*
