

FELSTED PARISH COUNCIL

Minutes of the 1124th meeting held on 3rd July 2024 at 6:30 pm in the URC Hall

Present: Councillors Graham Harvey (Chairman), Alec Fox, Richard Freeman, Frances Marshall, John Moore, Andrew Parker, Clive Perrins, Roy Ramm, Richard Silcock (Parish/District) along with 3 members of the public. Also present were County Councillor Martin Foley and District Councillor John Evans. In attendance: Clare Schorah (Assistant Clerk), Daniel Plunkett (Responsible Finance Officer - RFO) and Heather Read (Clerk) who attended via the online platform zoom.

24/145 **Apologies for Absence**

Apologies had been received from Cllr Hywel Jones and Youth Representative Molly Bennett.

24/146 **Declarations of Interest**

Cllr Richard Silcock declared a pecuniary interest in Item 24/168.

24/147 **Public Forum**

No issues were raised.

24/148 **Minutes of Meeting 1123 held on 5 June 2024**

This amendment was agreed re minute 24/137: *"The RFO confirmed that the Nature Area Funding was governed by the PC's Financial Regulations"*. The Minutes were then approved and were signed by the Chairman.

24/149 **Minutes of the Planning Committee meeting held on 18 June 2024**

These Minutes were noted and would be formally approved at the next meeting of the Planning Committee.

24/150 **Matters Arising from the 5 June Council Meeting**

150.1 NALC Model Financial Regulations (Item 24/129.9) – The PC were advised that the Clerk and RFO have reviewed the new regulations. Felsted's are now in the process of being drafted by the RFO and will be presented to the PC for their consideration in September.

150.2 Community Payback Team (Item 24/130.2) – The PC noted that the team worked on the allotments for 5 days in June. They carried out a large amount of work strimming and clearing plots. The PC expressed their gratitude to them.

150.3 MUGA Surface (Item 24/133) – The PC were advised that the Clerk together with the Chairman has appointed JCM Services to spray / power wash off the MUGA surface at a cost of £950 plus vat. The works will be completed by the end of July. The MUGA will remain closed until then for health and safety reasons.

150.4 Vandalism of Public Toilets (Item 24/142.1 (i)) – The PC were advised that CCTV footage of the vandalism that took place on 27th May has been shared with the police who are making enquiries with local schools to see if the individuals involved can be identified.

150.5 Crix Green PC Meeting – The PC agreed that despite disappointing public attendance at the PC's June meeting which was held at the Crix Green Mission Hall, the Parish Council will continue to show support for the Mission and schedule another PC meeting to be held there next Summer.

24/151 **County Councillor Report**

151.1 Highways Report – Members noted the highways report from County Councillor Martin Foley which expressed concerns about the maintenance / delays in highway repairs. County Cllr Foley has taken a petition to a full meeting of ECC asking for urgent action to bring rural roads up to standard.

151.2 Road Closures – The PC asked County Cllr Martin Foley to request that ECC consider using more traffic lights systems instead of completely closing roads when works are being carried out. It was noted that complete road closures cause considerable disruption to residents and result in much higher numbers using roads unsuitable for the volume of traffic.

24/152 District Councillors Report

Members noted the [report](#) from the District Councillors which contained information on: the draft local plan; grants and awards available from MAG/Stansted Airport; UDC's Waste Strategy; a consultation on the Essex Local Nature Recovery Strategy; a consultation on UDC's Statement of Licensing Principles which closes on 12th August (for which UDC welcome residents comments by email to licensing@uttlesford.gov.uk) and enhanced visual / audio technology that has been installed at both the UDC Chamber in Saffron Walden and also in the UDC Depot at Little Canfield, both of which allow viewing and audio recordings of council business to be seen and heard more clearly.

Note: County Councillor Martin Foley and District Councillor John Evans left the meeting at this point.

24/153 Correspondence

Members noted the Correspondence received (see page 7) including the following:

153.1 School Traffic – The PC noted that Felsted School have over many years made great efforts to improve the traffic situation in the centre of the parish e.g. by introducing staggered start times. They agreed that it is difficult to see what more could be done by the school to improve the traffic flow.

153.2 Boote House Weeds – The PC noted that the Village Attendant removed a substantial amount of weeds that were growing along the bottom of the Boote House in Chelmsford Road. The PC expressed their gratitude to him for doing an excellent job and for all of his hard work keeping the parish looking neat and tidy.

153.3 Fence at Sunnybrook Farm Development – The PC were advised that the developer fenced in the PC's bench / bin on Braintree road. The Clerk contacted them to request that the fence be re sited so that the bench / bin were no longer enclosed. The developer has now re positioned the fence. It was noted that the Village Attendant cleared away a substantial amount of greenery encroaching onto the seating / bin area. The PC thanked him for his quick work.

153.4 Pigeon Spikes / Streetlight – The PC were advised that following a comment on the facebook community page the Village Attendant fitted pigeon spikes to the swings in Willows Green and the Assist Clerk reported a street light for repair. A letter of appreciation for the speedy response had been received from the resident. Residents are reminded that any issues should be reported direct to the clerk on clerk@felsted-pc.gov.uk or by phoning 07719 552174.

153.5 Bury Fields Overhanging Foliage – The PC were advised that bushes/trees bordering a property on the corner of Bury Fields / Station Road are overhanging a resident's garden. The Clerk will obtain a quote to clear the overhang and face back the greenery. Works will be scheduled for early Autumn when the bird nesting season has finished.

153.6 No Public Right of Way – The PC noted a letter from J S Wright highlighting an area of Willow Plantation that is not a public right of way. The PC agreed that the land is not part of Felsted Parish falling within Flich Green / Little Dunmow. The Clerk will write to J S Wright informing them that the land is outside of Felsted and suggesting that they raise the matter with the relevant PCs.

153.7 Almshouses Layby – The PC noted an enquiry from Felsted School re the possibility of allocating some parking spaces in the layby outside of the almshouses specifically for the almshouses residents and their visitors. It was agreed that a land registry search will be undertaken in the first instance to establish ownership of the parking layby.

24/154 Finance

154.1 Payments – Members considered the list of payments on page 8. Proposed by Cllr Alec Fox, seconded by Cllr Frances Marshall the payments list was unanimously approved.

154.2 Receipts – Members noted the receipts of £97 which were all Felsted Focus Donations.

154.3 Nature Area Bank Account – The PC were advised that an application to open a new account has been submitted to Unity Trust Bank. Once the account has been opened the RFO will proceed with the transfer of the funds to leave approximately £50,000 in Barclays Nature Area Account.

154.4 2023-24 Internal Audit Report – Cllrs noted the Internal Audit Report which had been submitted by the PC's internal auditor Val Evans. Four recommendations were noted.

24/155 **Parish Councillor Vacancy** – The PC were advised that there have been 7 applications for the vacancy. A panel consisting of Cllrs Richard Freeman, Graham Harvey and Frances Marshall

will interview the candidates and report back at the September PC meeting.

24/156 **Allotments**

156.1 Clearance of Plot / Chargeback to Plot Holder – The PC were advised that following the clearance of a plot an extremely large amount of detritus had to be removed from the allotment gardens. A “man and van” were hired from Dunmow Skips at a cost of £350 plus vat to collect and remove the items. The cost will be invoiced back to the plot holder.

156.2 Overgrown Plot –The PC were advised that another plot holder has been warned that their plot is well below acceptable standards and that in order to retain it, they must cultivate it and keep it neat and tidy. Failure to do so will result in the termination of their agreement.

24/157 **Trees**

157.1 Churchyard Trees – Proposed by Cllr Roy Ramm, seconded by Cllr Frances Marshall it was unanimously agreed to accept the quote from JCM Services for £1320 to remove major dead wood 50mm and above from within the canopy of the Lime trees / the Sycamore in the churchyard. It was noted that the Lime trees have a Tree Preservation Order on them. The Clerk will therefore apply to both UDC and the diocese for permission to carry out the works.

157.2 Bannister Green Trees – Proposed by Cllr Roy Ramm, seconded by Cllr Frances Marshall it was unanimously agreed to accept the quote from JCM Services for £990 plus vat to remove major dead wood 30mm and above from within the canopy of both the Oak tree and the Maple. It was noted that the Oak tree has a Tree Preservation Order on it . The Clerk will therefore apply to UDC for permission to carry out the works.

24/158 **URC Burial Ground** – The PC noted that the trees in the burial ground are the responsibility of the URC. The quote for works to those trees will therefore be passed onto the URC for their consideration.

24/159 **Assets of Community Value** – The PC were advised that the ACV listings for the Chequers, the Swan Inn and the Felsted Memorial Hall have expired. The PC were advised that the rest of their ACV listings: (The Allotments; The Main Playing Field; Bannister Green Open Space; Raven’s Crescent Play Area and Willows Green Play Area) are due to expire in 2025. Proposed Cllr Alec Fox, seconded by Cllr Roy Ramm it was unanimously agreed that fresh applications be made for all of the ACV listings as they expire.

24/160 **CCTV Policy** – The PC considered the previously circulated draft CCTV Policy. It was proposed by Cllr Frances Marshall, seconded by Cllr Alec Fox and unanimously agreed to adopt the policy.

24 /161 **Willows Green Verge Repairs** – This will be discussed again at the September PC meeting.

24/162 **Causeway End Flooding** – It was noted that the report from County Cllr Martin Foley (minute 24/151) referred to this issue. A positive response re resolving the recurring flooding in this area had been received from County Cllr Tom Cunningham, the Cabinet Member for Highways. He has confirmed that pipework will be cleared and that ECC engineers are looking into upgrading the culvert under the road.

24/163 **Traffic Survey Station Road** – The PC were advised that ECC Highways have carried out traffic surveys of Station Road. Concern was expressed that the sensors were put in too close to the S bend preventing any accurate reading on speed. The survey would however be able to quantify the volume of vehicles using the road. ECC have confirmed that they "plan to make a potential scheme request for a route study". Clarity is awaited as to what this will mean for Felsted.

24/164 **Nature Area Update**

164.1 Site Walkabout - The PC were advised that the Nature Area Working Group (NAWG) had carried out a site visit at the end of June. The following issues were discussed / noted:

(i) Hemlock – Cutting by both JCM Services and NAWG volunteers is keeping this down.

(ii) The Pond – This dries out during the summer resulting in the loss of pond life. The possibility of digging the pond out deeper was discussed but it was noted that the ecology report did not favour this.

(iii) Car Park – It was noted that currently the nearest car park is in Fritch Green. The possibility of constructing a small car park at the front of the Nature Area was discussed.

164.2 Strategic Vision – It was noted that Cllr members of the NAWG are working on creating

a strategic vision for the Nature Area. This will help to clarify the future management of the area.

164.3 Grass Cutting Quotation – The PC noted that a quote has been received from JCM Services to flail both fields. Cllr Graham Harvey will approach a local farmer who in addition to cutting may also be able to collect and bale. It was noted that the grass cutting should be carried out late August / September.

24/165 **Biodiversity Working Group (BDWG)**

165.1 Wildflower Meadows – The PC were advised that the ground had been too wet in the Spring to sow wildflower seed. The meadows will therefore be sown in the Autumn. These will be on Bannister Green, Watch House Green and Willows Green.

165.2 Grass Cutting – The PC were advised that the BDWG had examined the ecology report regarding possible changes that could be made to grass cutting regimes in order to increase biodiversity. The BDWG recommended alterations to two areas, both of which are currently closely mown:

i) Braintree Road – The verge to be managed as a linear mosaic, closely mown by the roadside whilst left to grow longer at the back. This will provide for different habitats.

ii) Bannister Green – The area under the mature horse chestnut trees to be managed as a wide linear mosaic with a three height regime.

165.3 Grass Clippings – The PC noted that areas on Bannister Green, Willows Green and the Nature Area had been identified as suitable locations for the deposit of the grass clippings.

165.4 Grass Cutting Contract – It was proposed by Cllr Richard Silcock, seconded by Cllr Andrew Parker and unanimously agreed to incorporate the recommendations in

Items 24/165.2 / 24/165.3 into the parish grass cutting contract when it goes out to tender in the Autumn.

165.5 Habitat Boxes – The PC noted that a local resident with a keen knowledge of wildlife has agreed to advise the BDWG on both suggested types / locations of habitat boxes. These will be purchased using funding from UDC's Zero Carbon Communities Grant once the remaining balance has been quantified following the sowing of the wildflower meadows in the Autumn (minute 24/165.1).

165.6 BDWG Future Agenda Items

i) Local Nature Recovery Strategy – The PC were advised that this will be out for consultation on 29th July for 8 weeks. The BDWG will review it.

ii) Net Biodiversity Gain – It was noted that UDC's Local Plan is looking to require a 20% net biodiversity gain from developers. This will be in UDC's Local Plan and will be dictated by planning policy.

iii) Review of PC's Financial Regulations and Standing Orders – These will be reviewed to ensure that they comply with biodiversity and climate change policies.

24/166 **Bury Farm Station Road Development**

166.1 Complaint to the Information Commissioner - The PC noted that the Integrated Care Board (ICB) have neither responded to or acknowledged the PC's appeal regarding their refusal to disclose information in response to the PC's Freedom of Information (FOI) request (minute 24/112). As the 40 day deadline for a response has passed a complaint has been made to the Information Commissioner that the ICB are in breach of the FOI policy.

166.2 All Parties Meeting – The PC noted that this had been held on 2nd July and had been chaired by UDC's Chief Executive Peter Holt. Attendees consisted of members of the PC / Felsted Community Trust (FCT); both District Councillors, UDC Officers and two representatives from the Integrated Care Board (ICB). The ICB continued to refuse to pay market rent for the new facility which had been previously assessed by the District Valuer (DV) as circa 97k. Newly assessed by the DV, the ICB are claiming an abatement of rent of approximately 90% to 11k. The ICB continued to refuse to share both the DV's Report or the information given to the DV which resulted in the material difference in the rent revaluation. The PC / FCT made it clear that whilst prepared to negotiate on the rent, 11k was completely unfeasible as it would not even cover the running costs of maintaining the new health facility. In trying to find a way forward it was mentioned that it might be possible for the ICB to rent part of the new facility with the remaining rooms let out to private practitioners in order to provide an additional income stream. The PC agreed that this would be a far from ideal solution, fraught

with possible problems not least that with less rooms the doctors practice would be at capacity within 18 months. The FCT will meet to discuss the way forward.

24/167 **Felsted Community Trust** – The PC noted that the bank account is now in place. Cllr Graham Harvey will chase Holmes and Hills as it is imperative that the Trust is fully in place with a charity number as soon as possible.

24/168 **Neighbourhood Plan Review / Update** – The PC were advised that this continues to move forward. The group are currently in discussions with a number of landowners regarding the possibility of identifying their sites as locations to take the 84 houses Felsted has to supply before 2041.

24/169 **Chairmans Matters**

War Memorial – The PC noted that this was recently cleaned voluntarily by an ex-soldier. Concern was expressed that he had not sought permission or made contact with either the PC or the Memorial Hall Committee prior to carrying out the works. The Clerk will write to him and whilst thanking him for his hard work will advise him against cleaning monuments without permission in the future. The Clerk had contacted the individual concerned and he advised that the specialist cleaning materials had cost him approximately £100. It was proposed by Cllr Graham Harvey, seconded by Cllr Alec Fox and unanimously agreed to make a goodwill payment of £100 to him to cover the cost of the chemicals.

24/170 **Clerk's Matters** – None Raised.

24/171 **Planning Applications and Decisions**

171.1 Applications to be Considered at the next Planning Meeting

UTT/24/1413/LB / UTT/24/1410/HHF - Cressages 2 Cressages Close Bannister Green

Replacement of metal and timber windows with timber windows

171.2 Decisions Received Since Previous Council Meeting

UTT/24/0911/HHF - 3 Brook Meadow Gransmore Green

Construct an outbuilding at the rear of the garden for the purposes of a non-habitable, workshop outbuilding.

Permission Granted - 30th May 2024

UTT/24/0943/HHF - Yew Tree Cottage Stevens Lane

Proposed erection of wood framed greenhouse and installation of wooden internal driveway gate.

Permission Granted - 4th June 2024

UTT/24/1020/LB/ UTT/24/0562/HHF - Milch Hill Willows Green Main Road

Constructing a new pitched roof over the existing 'flat roof extension' which is located to the east of the building.

Permission Granted - 5th June 2024

UTT/24/0767/FUL - Foxtons Mole Hill Green

S73 application to vary condition 2 (approved plans) of UTT/22/1587/HHF (single storey rear extension, existing roof to be raised to create an additional floor and ground floor fenestration changed) - external materials changed to fully render to match the original dwelling, the rear flat roof changed to a vaulted pitched roof with new oak frame entrance canopy, additional roof light in south elevation roof slope and increase in depth of previously approved single storey rear extension.

Permission Granted - 7th June 2024

UTT/24/1096/CLE - Land East Of Poplars Gransmore Green Lane

Use of existing building as a single dwellinghouse

Permission Granted - 19th June 2024

UTT/24/1078/OP - Watchouse Farm Bannister Green

Outline application with all matters reserved except access for the erection of 4 no. dwellings

Permission Granted - 24th June 2024

UTT/24/0687/FUL - Land East Of Chelmsford Road

A mixed-use development comprising village convenience store, along with dedicated parking facilities including a multi-use parking and overspill area, together with an external area for farmers market supported by a cafe including disabled WC provision. 3no. self-contained management offices, and 3no. dwellings comprising two 2 bedroom wheelchair adaptable bungalows and one 4 bedroom wheelchair adaptable chalet bungalow with home office and a dedicated 2m footpath route.

Permission Refused - 25th June 2024 'it introduces built form in the countryside with urbanising effects, failing to recognise the intrinsic character and beauty of the countryside. The proposal, results in the introduction of significant built form creating a visual barrier to this open rural character, to the detriment of the character and appearance of the countryside. The adverse impacts of the development significantly and demonstrably outweigh its limited benefits.'

171.3 Appeal To Be Considered At The Next Planning Meeting

UTT/22/3513/FUL - APP/C1570/W/24/3343021 - Land East Of Chelmsford Road

A mixed-use development comprising a relocated and improved village convenience store, incorporating a Post Office, together with area for farmers market, cafe, three first floor offices with dedicated parking facilities and multi use overspill area. Together with nine dwellings comprising a 1 bedroom apartment, two 2 bedroom houses, two 3 bedroom apartments, two 4 bedroom semi detached houses, one 4 bedroom detached house, and a 5 bedroom chalet style bungalow with dedicated 2m footpath routes

24/172 Other Matters

It was proposed by Cllr Frances Marshall, seconded by Cllr Alec Fox and unanimously agreed to nominate Cllrs Roy Ramm and Richard Freeman for the EALC Councillor of the Year Awards (Correspondence List 2b).

There being no further business the meeting closed at 20.42pm

Next Meetings:

Next Highways Committee Meeting: Wednesday 10th July 24 online at 5pm

Next Planning Committee Meetings: Tuesday 16th July / 20th August 24 online at 6.00 pm

Next Finance Committee Meeting: Friday 19th July 24 in the URC Hall at 4.30pm

Next Council Meeting: Wednesday 4th September 24 in the URC Hall at 6.30 pm

..... 4 September 2024
Chairman
